2nd announcement

Cynara 2009

The International Society for Horticultural Science (ISHS), Bretagne Biotechnologie Végétale (BBV) and the Comité Economique Régional Agricole Fruits & Légumes (Cerafel Bretagne) are pleased to invite you to attend the 7th International Symposium on Artichoke, Cardoon and their wild relatives which will be held in Saint Pol de Léon, Brittany, France, from the 16th to the 19th of June, 2009.

The aim of the symposium is to showcase sound research and development activities in the main suggested topics of the symposium. The international « Cynara » community is invited to attend the plenary and poster sessions. The scientific programme will also consist of a full-day technical visit to the artichoke production area. Besides, social events will be arranged for participants and their accompanying persons to experience the unique Brittany culture and landscape.
